“ *Randy was such a good guy, and fun to work with. The west side of Charleston was set up to never be the same. He was a calm, cool, collected individual--until his face turned red, and then it might behoove all to stand clear. We'll miss ya guy.*

“ *My heart is forever broken, Randy has always been like an Uncle to our family. He was a beautiful soul inside and out. Always making us laugh and was always talking during the football games. My family adored him and loved him so very much. We are going to be so lost without him. We will definitely miss him and his contagious smile. God sure got a good one. Forever embedded in my heart. Thank you Randy for your service and thank you for being such a special person to our family. You will forever be missed.*

“ Hello Family,

*He and his witty sense of humor will be dearly missed. Worked with him often through the years, and just remembered him always being able to make others laugh. May he rest in peace. If any of you need anything from me, long after the services are over, don't ever hesitate to call me. I'm sure that goes for Charleston Police Department as well.*

*Randy was one in a million. I'll never forget him making us all laugh in the police academy. I ran into him several times when I was living in Clendenin after we had both retired and got to catch up I little. Hadn't changed a bit. Will miss you old buddy.*

*I met Randy in 1990 in the Police Academy. He was 35. Most of us were in our early 20's. We looked to him for guidance, advice, and leadership. His wit and humor took the edge off of many critical incidents. An honorable life well lived. Rest In Peace my friend.*

*I grew up with Randy, played a lot of basketball with him on the old DuPont High School parking lot (Rand vs. DuPont City). Had the privilege of working with him at CPD for many years. One of my favorite guys to ever golf with and he was so proud of the trophy we won at the CPD tournament. Many Santee golf memories and stories keep me smiling when I think of my buddy. RIP Randy you will be missed.*

*Randy was one of a kind, a truly dear and genuine man. He was made for the patrol sergeant's job or better yet it was made for him----- he mastered it. He drove the young officers crazy at times but their reports continually improved and they learned to love and respect him and the special way he supervised them. Working with him was so enjoyable, he had that special way of finding humor in most all situations and making long shifts/ hectic times at the Police Department less trying. Golf---- years ago he decide he wanted to play golf and he worked at it like no other. It became his passion as he mastered all aspects of it. My dear friend, thank you for all the great times that we shared ---the memories are dear to my heart and priceless!!! You are the BEST and will be missed!!!!*
