“ *Rick was a wonderful person. I worked with him at Buchart-Horn Civil Engineering Firm on Quarrier Street for nearly 10 years. I found him to be highly intelligent, professional and generous. He would not hesitate to give homeless people money so they buy a meal. He would give me \$100.00 for Christmas and I will never forget such a kind hearted gesture. Rick could talk on any subject and he knew his Bible. He often quoted “Let not your heart be troubled, believe in God because in my Father’s house are many mansions; if it were not so, I would have told you. I go to prepare a place for you and receive you unto myself, that where I am, there you may be also”.*

*Rest in power brother Rick. We shall see you again in heaven where there is joy and peace forever.*
