“ I worked with Zola at The Wells Inn back in the early 90's. She was such a happy woman who was always humming. She was always telling stories about her family. We should all be as blessed as Zola to live a long happy life. My condolences to the family.

“ My love and prayers are with you all in this time of loss. Memories of this wonderful woman are too many to mention but, Our good times and thoughtful talks will remain with me forever. Most important was what a good friend, a caring confidant and faithful Christian woman she was.

The years have swiftly gone by like the streams of flowing waters. Although our paths seldom crossed after living in Hanoverton Ohio, great memories of Gene and Zola are alive and well in my mind. These two precious loved ones who were parted by Gene's death are now reunited together in blissful paradise beyond the azure skies of blue. I can say without reservation that knowing and spending time with Zola and Gene has been quality time well spent. Condolences and prayers to the Carroll family from the Beadnells in Dunbar, West Virginia. 🙏
